

**Dear Valued Customer.**

First of all , Tang Minh Phat Trading and Service Co., Ltd ( TMP Vietnam) would like to send our greatly appreciate to you, who worked, are working and will be working with us.

Wish you all a happy, healthy and prosperous.

Currently, TMP are official distributing for more than 20 brands come from all over the world such as Japan, USA, Germany, Italy, Korea.... And we are developing many new brands to bring you the best price and service.

From the April of 2018, TMP became an official distributor of KOGANEI brand in Vietnam market.KOGANEI is Japanese brand, specialize in supplying pneumatic equipment : Cylinder, Solenoid Valve, Pneumatic Valve Controller, Quick Coupling, Air Pipe...

We would like to sending you some line of products as following:

## Solenoid Valve

- ↳ High-speed valve
- ↳ High cycle solenoid valve
- ↳ Series 253, 503, 753
- ↳ Explosion-proof type solenoid valve
- ↳ Air-piloted valve Single valve unit
- ↳ Monoblock manifold
- ↳ Slipt manifold valve
- ↳ Solenoid valve
- ↳ Micro 3-port solenoid valve Check valve
- ↳ Lever type handle
- ↳ Mechanical valve
- ↳ Solenoid valve for clean systems

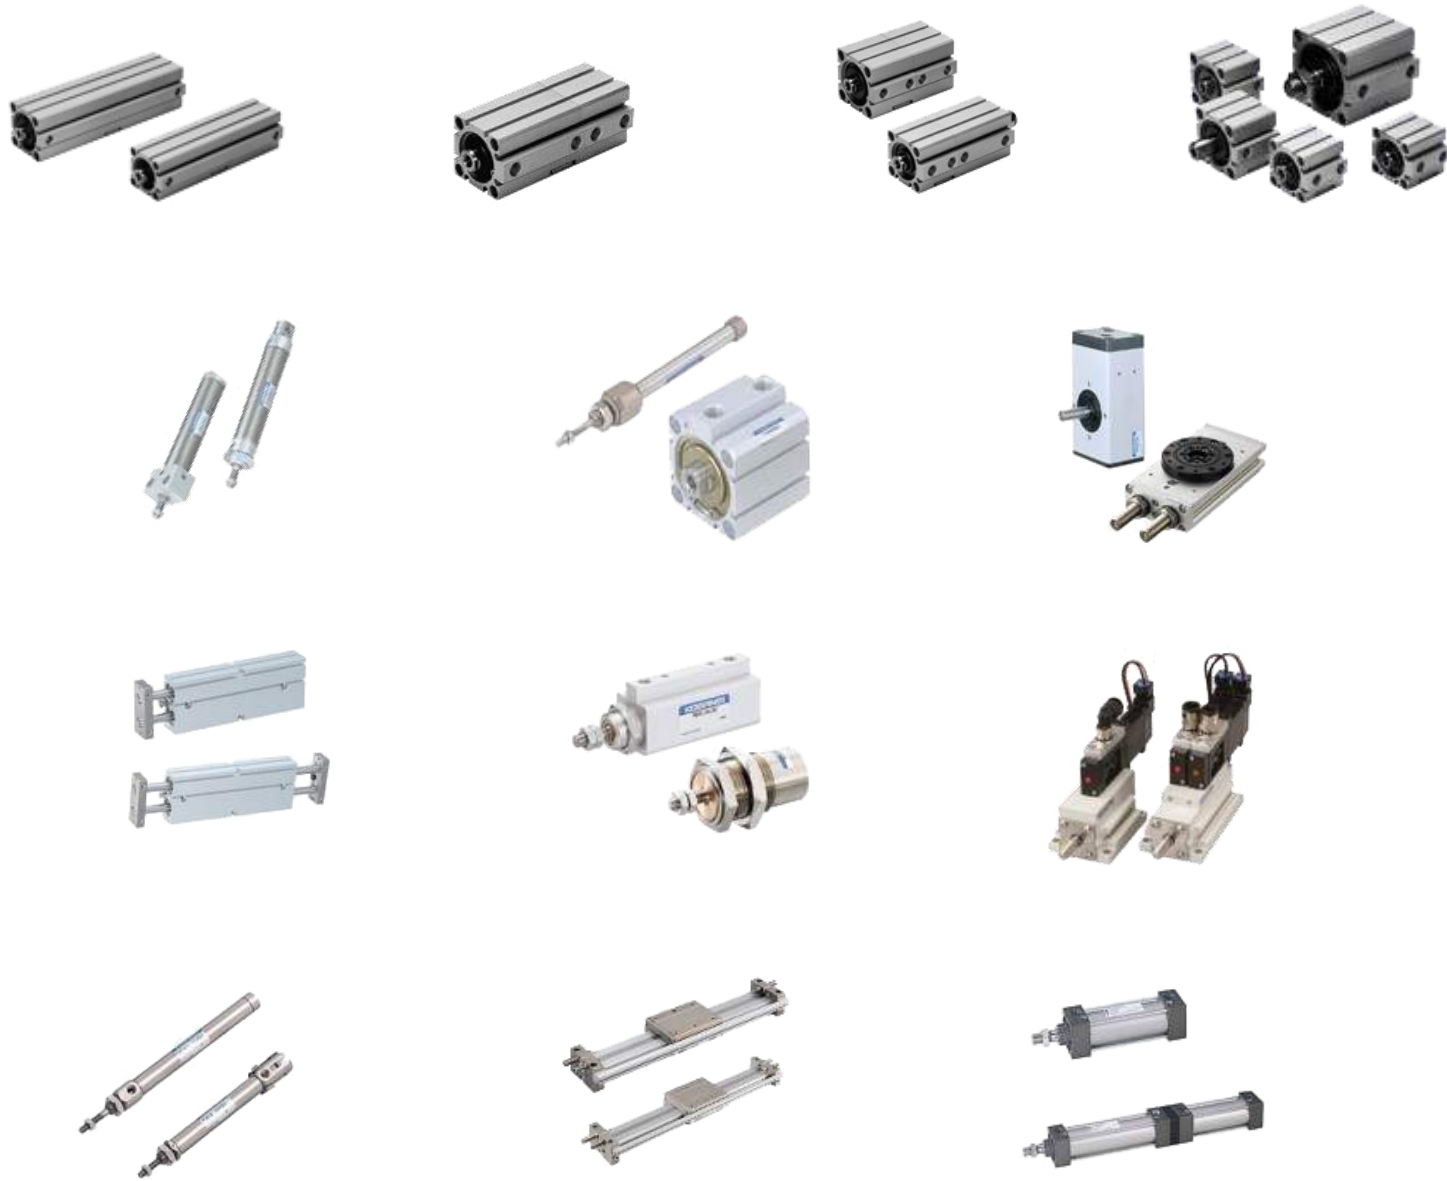

## Electric actuators

- ↳ Electric NS Slider actuator
- ↳ Electric rotary actuator
- ↳ Electric hand actuators
- ↳ Desktop robot

# Cylinders

- Double acting type
- Single acting type
- Multi position type
- Dual stroke type
- Long stroke type
- Slim cylinder
- Pen cylinder
- Knock cylinder
- Twin rod cylinders
- DYNA, KSD cylinders
- Transport type
- Rotary actuators
- High speed cylinders
- Low speed cylinders

# IB-Series

- ↳ 5-port manifold solenoid valve
- ↳ Linear stepping actuator
- ↳ Takt time controller
- ↳ IB-Cyclone

# Filter regulators

- ↳ Combination
- ↳ Filter regulators
- ↳ Air filters
- ↳ Precision regulators
- ↳ Manifold regulators
- ↳ Lubricator
- ↳ Pressure gauge
- ↳ Compressor
- ↳ Clean system equipments
- ↳ Water removal valve

# Speed controller, quick fittings, tube...

- ↳ Quick fittings
- ↳ Barb fittings
- ↳ Speed controller quick fitting
- ↳ Speed controller threaded pipe
- ↳ Pressure switch
- ↳ Flow rate sensors switch
- ↳ Throttle valve
- ↳ Tube
- ↳ Mufflers
- ↳ Fluorosesin fitting

# Shock Absorber

- ↳ Linear orifice
- ↳ Linear orifice adjustment
- ↳ Fixed orifice
- ↳ Multi orifice Adjustment
- ↳ Multi orifice Adjustment with sensor
- ↳ Linear orifice pressure resistant
- ↳ Single orifice
